Mrs. Ruggs was presented gifts from her fellow officers. Floral table appointments marked places for 60 persons. At the board meeting preceding the luncheon announcement was made that Narbonne P-TA had been awarded the tenth district certificate of recognition for service to the children of the community, and parent education work.

Keep faded flowers picked off if you want annual flowers to bloom all summer. Plants which stop flowering should be cut back heavily to encourage new growth which will bear another crop of flowers.

Go around corners slowly, advise the National Automobile Club. Squeezing around corners at high speeds will scrape miles off your tires.

### Memorial Held By Neighbors

A memorial service for departed members was held at a gathering of Royal Neighbors in the Woman's clubhouse.

Participating in the program of music and prayer were Marie Bankston, Catherine Hanson, Rose Shepherd, Mary Baker and an escort team of 16 women. Mrs. Hazel Hutton, orator, presided at the business session. New members inducted were Lucia Mary Lund and Helen Wanta Perris. Marie Bankston had charge of the social hour.

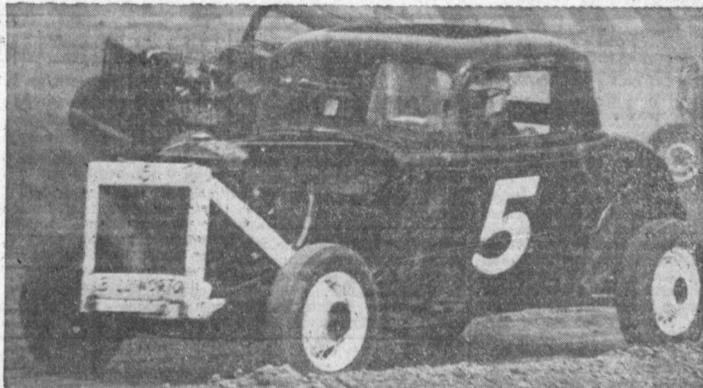

A report on sick members included Mrs. Lottie Phillips, 2325 Andree ave.; Mrs. Rosa Shepherd, 825 Beech st.; and Mrs. Rose Emmons, Gardena.

A flower which no insects bother is pyrethrum, a hardy perennial daisy. From plants of the same family one of the most effective insecticides is prepared. They grow from seed sown in August, flowering the following year and living many years, through the coldest winters.

### Community Building Now in Use

LOMITA, Supervisor Raymond V. Darby presented a large gold key to the \$60,000 community building at Lomita Park, to Mrs. Marjorie Lomsdale, recreation director, to formally dedicate and open the building in ceremonies last week at the park.

Lomita made a community affair of the event, with more than 20 civic and service organizations represented at the ceremonies. Paul B. Gruendyke, director of county playgrounds and parks, presided at the program. The dedication climaxed a 12-year project by Lomita civic leaders to complete the park, which was started in 1938. An oil boom in the area and the war delayed the completion of the play center until this year. A program of musical entertainment and color cartoons followed the dedication talk by Supervisor Darby.
